MIDHUN NAMBIAR

Media Consultant

PERSONAL PROFILE

As a passionate and results-driven media consultant, I possess a proven track record of crafting successful media strategies and campaigns for diverse clients across various industries. My expertise lies in utilizing the power of media to build brand awareness, engage target audiences, and drive business growth. With a deep understanding of current media trends and technologies, I excel in developing innovative and impactful media solutions tailored to meet each client's unique goals.

EXPERIENCE

Adsflo Worldwide PVT LTD

Business Development Manager / Client Service | 2023 - Present

Wish Media Production

Business Development Manager | 2020 - 2023

- Media Strategy Development: I craft tailored media strategies that align with the client's goals and target audience. By identifying the most suitable media channels and platforms, I ensure maximum exposure and engagement.
- Worked on the development and implementation of new digital marketing practices strategies and worked closely with clients to ensure that their requirements and goals were met.
- Brand Identity: I assist clients in developing a strong brand identity that resonates with their target audience and sets them apart from competitors.
- Expertized in making presentations by analyzing the digital market research and evaluated social media performance.
- I excel at developing comprehensive PR campaigns that effectively manage and enhance a client's reputation. This includes media relations, crisis communication, and brand positioning.
- Handled all community/social media management.
- Recruited and trained Marketing interns, assisted in the product development, and stayed up-to-date with current industry trends.
- I design media plans to promote events effectively, ensuring maximum attendance and media coverage.
- Generated content and script appropriate for client verticals and work.
- Made strategic campaigns and partnerships to build brand and increase reach.
- Recognized by executives for achieving extraordinary results and increasing the client satisfaction from 87% - 98% within one year.
- Created weekly content for the spectrum of digital contents.
