WORK EXPERIENCE

FEBRUARY, 2024 - AUGUST, 2024

ADVASI THE CREATIVE TRIBE - SALTU CREATIVE SUITE PRIVATE LIMITED, KOCHI, KERALA

BRANDING & OPERATIONS

- Led the creation and launch of a new sub-brand viz. ADVASI - The Creative Tribe at Saltu Creative Suite, focusing on branding, advertising, digital marketing, and UI/UX design services.
- Developed and implemented brand strategies that aligned with the company's vision, structured service offerings, and positioned the sub-brand effectively in a competitive market.

- Managed daily operations, including project management and client relationships, ensuring high-quality deliverables and tailored solutions that met business objectives.
- Led a multidisciplinary team, conducted market research and competitive analysis, and directed the development of brand identities, using data-driven insights to optimize strategies and achieve business goals.

SEPTEMBER, 2023 - JANUARY, 2024

AD-VANTAGE ADVERTISING, KOCHI, KERALA

CLIENT ACCOUNTS MANAGER

- Executed responsibilities closely mirrored to those carried out at 916 Creative Minds, with the notable difference being the absence of a mandate for business development oversight.
- Emphasized a concentration on the creative aspect, particularly in conceptualizing motion videos and devising strategies tailored for festive seasons. This approach aims to enhance engagement and facilitate conversions for the client's business.
- Implemented upselling strategies for digital campaigns with clients and ensured organized scheduling of creatives according to the content calendar as part of social media management for the clients.
- Served as the Co-Ordinator for Advantage Academy, the vertical dedicated to providing agency-based digital marketing training for college students by facilitating communication between the college and the firm, moderating training courses, and representing the company to the college administration.

OCTOBER, 2022 - SEPTEMBER, 2023

916 CREATIVE MINDS, KOCHI, KERALA

BUSINESS RELATIONSHIP MANAGER

- Established and maintained strong client relationships by understanding their needs and objectives, fostering regular communication, and identifying target audiences.
- Collaborated with cross-functional teams (design, copywriting, and digital marketing) to facilitate smooth project delivery, ensuring alignment with clients' business goals and target audiences.
- Developed successful advertising plans, overseeing campaign execution to ensure timely delivery and alignment with client objectives, while keeping clients informed about project progress and advertising strategies.
- Managed client interactions by conducting face-to-face meetings, maintaining detailed records of client interactions, overseeing contracts, proposals, and invoices with clear terms and agreements.
- Proactively identified and resolved client problems, sought upselling opportunities, and pursued new business leads to expand the client base. Additionally, served as a reliable guide, offering strategic recommendations for clients' success.

JULY, 2021 - JUNE, 2022

RIOD LOGIC PRIVATE LIMITED, KOCHI, KERALA

BUSINESS DEVELOPMENT MANAGER

- Conducted thorough market research in IoT, Automotive, and e-Mobility industries, identifying key products, services, and customers to formulate innovative sales and marketing strategies, resulting in significant business growth.
- Developed and implemented competitive pricing models aligned with business goals, effectively reaching and engaging potential customers through various channels such as telephone, social media, email, and in-person interactions.
- Maintained detailed client records and updated account information in company databases, while also collecting and analyzing customer data to address their specific needs.
- Prepared and submitted quarterly and yearly reports, contributing valuable insights to support executive decision-making processes.
- Collaborated with product development teams, incorporating customer interest data to enhance products. Established and nurtured relationships with key decision-makers, successfully negotiating and closing contracts. Represented the company at conferences and industry events, further promoting brand visibility and fostering growth and client retention.

DECEMBER, 2015 - AUGUST, 2020

BILT MIDDLE EAST LLC, DUBAI, UAE

ELECTRICAL ENGINEER

- Provided effective leadership to project teams, ensuring the achievement of project goals and monitoring project output.
- Developed project execution strategies and ensured the implementation of quality control standards to meet project requirements.
- Coordinated with technical specialists and site supervisory staff to identify and resolve complex technical problems, demonstrating problem-solving skills.
- Proficient in reading and interpreting blueprints, diagrams, and schematics of LV, ELV, ICT, and Small Power systems, ensuring accurate coordination of work.
- Negotiated schedules, work plans, and payment structures with subcontractors, checked work quality for compliance with design specifications, and liaised with clients, contractors, and local authorities for approvals. Additionally, coordinated with QA/QC and Planning Departments for field inspections, progress monitoring, and final project handover to clients.
