Professional Experience

Digital Marketing Manager, Bleach Kuwait

03/2021 – present
Kuwait City, Kuwait

- Actively managed a team of 12+ creatives, developers, and content writers to produce only the highest quality work to meet ambitious client KPIs.
- Developed and executed comprehensive digital marketing strategies tailored to the Kuwait market, including SEO, social media, email, and digital advertising.
- Conducted comprehensive research on market trends, customer needs and wants, and competitive landscape in Kuwait; findings informed product development and led to 25% increase in customer retention rate.
- Oversaw all aspects of digital marketing channels, including search engine optimization (SEO), search engine marketing (SEM), social media marketing, email marketing, and content marketing.
- Planned successful paid advertising campaigns on platforms such as Google AdWords, Facebook & Instagram Ads, Twitter Ads and LinkedIn Ads.
- Implemented A/B testing and conversion rate optimization strategies to continuously improve campaign performance and drive higher conversion rates more than 75%.
- Utilized web analytics tools to track and analyze website performance, user behavior, and campaign effectiveness, providing actionable insights for optimization and improvement.
- Analyzed campaign performance using analytics tools such as Google Analytics, created reports on traffic, engagement, and conversion rates, and provided recommendations for optimization, resulting in a 50% increase in website traffic.

Digital Marketing Executive, Creopedia Business Intelligence Pvt.Ltd

03/2020 – 03/2021
Kochi, Kerala, India

- Led a team of 15 employees and created comprehensive digital marketing strategies, including recommendations for channels, tactics, and budget allocation.
- Personally responsible for management of \$12K+ per month in Facebook and Google ad spend for a portfolio of 23 clients.
- Mentored and trained 17 interns in the SEM and PPC fields.
- Monitored and optimized website performance, identified areas for improvement, and implemented on-page and off-page SEO strategies to enhance organic search visibility.
- Increased online sign-up conversion from 15% to 37% in 2020 by creating and integrating new digital marketing campaigns.

- Supported other senior decision makers in steering the company through board of directors transition.
- Continually worked on the Search Engine Optimization of the websites and tracked SEO and Google Analytics data.
- Produced more than 65000 leads from Social Media Ad campaigns.

Search Engine Optimization Analyst, SpyroSys Training & Consulting

09/2018 – 03/2020
Kochi, Kerala, India

- Conducted comprehensive keyword research to identify high-value target keywords and optimize website content accordingly.
- Used link building strategies to enhance website authority and improve search visibility.
- Conducted technical SEO audits to identify and resolve website issues impacting search performance, including crawl errors, site speed, and mobile responsiveness.
- Collaborated with content writers, web developers, and designers to ensure SEO best practices were integrated into website structure and content creation.
- Utilized SEO monitoring tools to track search rankings, analyze competitors, and identify opportunities for improvement.
- Prepared regular reports on key SEO metrics and provided insights to stakeholders, demonstrating the impact of SEO efforts on business goals.
- Assisted in website technical optimization, including improving site speed and mobile-friendliness.
- Stayed updated with search engine algorithm changes and industry trends to adapt SEO strategies accordingly.
