

# HANNA THOMAS

I am a Journalism and Mass Communication Student and I consider myself a responsible and orderly person looking forward for my first internship experience.

In hope to develop my skills which would be beneficial to me in the coming future. I strongly believe in being responsible and passionate about delivering outstanding quality and service. Hoping to gain on-the-job training and experience in media-related workplaces. Would also be delighted to have a role as a responsible professional willing to help experienced journalists.
