SUMMARY

Digital Marketer with hands-on experience working on real client campaigns during a digital marketing internship. Strong skills in SEO, Google Ads, Meta Ads, content marketing, and analytics, with a data-driven approach to improving online visibility, increasing traffic, and supporting lead generation. Continuously building expertise to stay current with evolving digital marketing trends and platforms.

WORK EXPERIENCE

Digital Marketing Executive *MCM Education Solutions*

June 2025 - Present

- Executed on-page SEO optimization, including keyword research, meta tags, URL structure, and content optimization, contributing to improved keyword rankings and a 10% to 15% increase in organic traffic over the campaign period.
- Built and managed high-quality backlinks through social bookmarking, directory submissions, article submissions, and blog commenting to support domain authority and organic growth.
- Planned, executed, and optimized Google Ads campaigns by refining keyword targeting, ad copy, bidding strategies, and performance analysis, resulting in a 15% to 20% improvement in click-through rate (CTR).
- Managed Meta (Facebook & Instagram) ad campaigns, including audience targeting, creative development, A/B testing, and conversion tracking to improve campaign performance.
- Gained hands-on experience in email marketing, including campaign setup, list segmentation, content creation, and performance tracking (open rates, CTR).

Digital Marketing Intern *Digiskillz Digital Marketing Institute*

2025

- Worked on live client projects across SEO, social media marketing (SMM), and paid advertising campaigns.
- Managed social media content and assisted in planning and executing campaigns to enhance engagement.
- Conducted keyword research and SEO audits to optimize website performance and search visibility.
- Supported the setup, monitoring, and optimization of Google Ads and Meta Ads campaigns.
- Assisted in branding initiatives, basic graphic design, and performance tracking to measure campaign effectiveness.
