About Me

I am an SEO Team Lead with over 6 years of experience in developing and executing search optimization strategies that drive measurable growth. I specialize in website audits, on-page and off-page optimization, keyword strategy, and performance reporting. I currently lead a team of 7 SEO professionals, ensuring quality delivery, strategic planning, and continual learning. I am also expanding my skillset into PPC to support integrated digital marketing performance.

Skills

- Management Skills
- Creativity
- Digital Marketing
- Negotiation
- Critical Thinking
- Leadership

Education

• Bachelor of Computer Application

2014 - 2017

Siena College Of Professional Studies

- Successfully completed a three-year undergraduate program focused on computer applications, software development, and IT fundamentals.
- Achieved 80.33% overall, demonstrating strong academic performance and consistent dedication throughout the course.

Experience

• SEO Team Lead

TechWyse Internet Marketing

2019 -Present

- Performed comprehensive website audits for prospective client proposals to identify technical, on-page, and off-page improvement opportunities.
- Created, managed, and executed effective link-building strategies to enhance domain authority and search visibility.
- Developed off-page SEO strategies that contributed to increased organic traffic and improved keyword rankings for client websites.
- Conducted in-depth keyword research and analysis using various tools to align content and SEO efforts with client objectives.
- Prepared detailed quarterly performance reports to track SEO progress, user engagement, and campaign success.
- Proficient in using Google Analytics, Google Search Console, Keyword Planner, and third-party tools such as SEMrush, Moz, Ahrefs, and Screaming Frog for SEO analysis and reporting.
- Worked on branding initiatives for TechWyse, supporting brand visibility and digital presence.
- Managed paid guest post outreach to secure high-quality backlinks and strengthen off-page performance.
- Planned, implemented, and optimized Google Ads campaigns to improve conversions and overall campaign ROI.
- Worked extensively on Google My Business optimization to improve local visibility and search performance.
- Managed and guided a team of 7 members, ensuring timely task execution, quality output, and team productivity.
