About Me

Digital marketing professional with 4+ years of experience focused on SEO, SMM, Google Ads, and LinkedIn marketing. Known for creating strategic campaigns backed by data insights. I specialize in boosting brand visibility, driving high-quality traffic, and optimizing digital performance to meet business objectives efficiently and effectively.

Work Experience

Jan 2024- Present

Way We Design

Digital Marketing Specialist

- Planned, executed, and optimized SEO strategies to improve keyword rankings and organic traffic across multiple domains.
- Managed Google Ads campaigns with a focus on lead generation and cost optimization.
- Designed and implemented social media strategies to increase brand awareness and engagement across platforms like Instagram and Facebook.
- Conducted competitor analysis, keyword research, and website audits to shape content and performance marketing efforts.
- Collaborated with design and content teams to produce ad creatives, landing pages, and social media content.
- Worked closely with sales teams to align campaign messaging with business objectives and client acquisition goals.
- Worked closely with both international and domestic clients by attending regular strategy meetings, understanding brand objectives, and executing SEO, SMM, and Google Ads campaigns to meet specific business goals.
- Utilized AI tools to streamline digital marketing processes, enhance content creation, and support data-driven decision-making.
- Collaborated with the sales team during client visits to ensure marketing efforts matched business goals.

Aug 2022 - Jan 2024

Accolades Integrated Pvt. Ltd

Digital Marketing Analyst

- Conducted comprehensive keyword research, on-page optimization, and technical audits to improve website search rankings and visibility.
- Performed in-depth keyword research and competitor analysis to identify content gaps and opportunities for ranking improvement.
- Managed and optimized Google Business Profiles to enhance local search visibility, improve map rankings, and drive location-based inquiries.
- Planned, created, and managed Google Ads campaigns across Search, Display, and Remarketing networks to drive leads and website traffic.
- Conducted keyword research, audience segmentation, and competitor analysis
- Created and presented monthly performance reports with actionable insights to improve campaign effectiveness.
- Handled communication with both domestic and international clients to understand their goals and align campaign strategies accordingly.
- Collaborated with developers to structure high-converting landing pages optimized for speed, SEO, and user experience.
- Managed LinkedIn pages and ran targeted ad campaigns to support branding and lead generation efforts.

Nov 2021– Aug 2022

Ardent Digital & Marketing Services

SEO Analyst

- Optimized website on-page elements including meta titles, descriptions, header tags, image alt text, and internal linking structure to boost organic visibility.
- Performed off-page SEO activities including high-quality backlink building through guest posting, directory submissions, social bookmarking, and outreach strategies to improve domain authority and search rankings.
- Monitored website traffic and user behavior using Google Analytics to identify trends and improve SEO performance.
- Used Google Search Console to track keyword rankings, fix crawl errors, and monitor indexing issues.
- Increased sales by optimizing website content and keywords for the Australian audience through region-specific SEO strategies
