Projects

Create a company website for Netpro Media.

Used to build blogs and other features on Wix websites. I chose better images and designs for this website. Make a blog post to talk about the changes in marketing trends that will occur in 2025. By providing actionable steps to ensure your Netpro Media website is discoverable and ranks highly on search engines, the SEO markdown document transforms the "SEO submitted this company page" into helpful implementation assistance.

Create a comprehensive website with WordPress.

Developed a user-friendly WordPress website while gaining hands-on experience with plugins and themes to build a powerful platform for brand marketing and customer interaction.

Google analytics report of website

Utilized Google Analytics to analyze website performance, including user behavior, traffic sources, and engagement metrics, to improve digital marketing efforts.

Used Canva to create and design digital products

Created excellent digital products using Canva with the goal of improving brand identification, online visibility, and engagement through aesthetically pleasing and marketable materials.

Ad campaigns on social media platforms including Facebook, LinkedIn, and Twitter, Spotify, Pinterest

Utilizing platform-specific targeting and ad formats to optimize conversions, I planned and carried out social media ad campaigns on Facebook, LinkedIn, and Twitter, spotify.pinterest to increase brand awareness, generate leads, and drive engagement.
