PROFESSIONAL SUMMARY

Results-driven Digital Marketing Professional with over 3 years of experience specializing in social media management, SEO, and digital advertising. Proven track record of enhancing online presence and driving customer engagement through strategic campaigns and social media solutions.

WORK EXPERIENCE

Social Media Executive | Viewy Digital Pvt.Ltd

2024–Present

In my current role as a Social Media Executive, I leverage my expertise in digital marketing to create engaging content and enhance brand visibility across various platforms.

- Developed and implemented social media strategies to boost online engagement and brand awareness.
- Analyzed performance metrics to optimize content and improve campaign effectiveness.

Digital Marketing Associate | Octotech Solutions Pvt. Ltd.

2022 –2023

Transitioning from my previous experiences, I excelled as a Digital Marketing Associate, where I successfully executed comprehensive digital marketing campaigns to drive traffic and generate leads for multiple clients.

- Executed comprehensive digital marketing campaigns across multiple platforms, driving traffic and lead generation.
- Collaborated with cross-functional teams to align marketing strategies with overall business goals.
- Handled product photoshoots for clients, ensuring high-quality visuals that aligned with brand aesthetics and enhanced marketing materials.

Assistant Manager - Digital Campaigns | Cutting Chaai

2021–2022

I joined as a Digital Marketing Trainee and gradually advanced to Digital Marketing Executive before ultimately becoming Assistant Manager. In this managerial position, I honed my skills in digital campaign planning and client management, leading successful advertising campaigns that met diverse business objectives. Designed English learning activities based on traditional and online learning methods

- Planned and executed digital advertising campaigns for various brands
- Managed client relationships and delivered detailed performance reports, ensuring campaign success.
- Handled almost 10 clients at a time, delivering tailored solutions to meet their unique business objectives.

Beginning my journey in digital marketing, I gained foundational experience as a Digital Marketing Intern, assisting in the development and execution of marketing strategies.

- Assisted in the development and execution of digital marketing strategies.
- Conducted market research and analysis to identify industry trends and customer preferences.
