PROFESSIONAL SUMMARY

I'm a passionate digital marketer with 6 months of internship experience working on real-time projects in **SEO**, **Social media marketing**, **Google Ads**, **Email marketing** and **Performance marketing**. I've managed social media pages, planned ad campaigns, done **Keyword research**, and used tools like **Google Analytics** and **AI-Tools** to improve results. I also helped create content like posts, videos, and testimonials to connect with the right audience. I'm eager to learn, grow, and bring fresh ideas to help a team succeed online.
