

HARIKRISHNAN MENON

PERFORMANCE MARKETER

Puthumana house, thirumittakode, palakkad, kerala

SUMMARY

I specialize in performance marketing, personal branding, and social media strategy, helping businesses grow through targeted digital campaigns. With expertise in Meta and Google Ads, I have worked on e-commerce projects, content creation, and web development, building Shopify and WordPress websites designed for business success.

PROFESSIONAL EXPERIENCE

Performance marketing intern at Haris and Co	Jan 2025- Feb 2025
- Managed and optimized Meta and Google Ads campaigns, achieving high ROAS and lower CPC through data-driven targeting and creative ad strategies. - Successfully ran conversion-focused ad campaigns for an e-commerce brand, increasing website traffic and sales. - Increased sales for a healthcare brand by running a lead generation campaign, optimizing audience targeting and ad creatives for higher conversion rates. - Successfully handled 5 clients simultaneously, including international brands, delivering conversion-focused ad campaigns that drove measurable business growth. - Earned "The Strategist Award" for an analytical and strategic approach in digital marketing.
