Project 1

I conducted campaigns for Walkaroo, India's top footwear brand, specializing in sandals, slippers, and shoes for men, women, and children. I selected the best-selling product using Shopify analytics, collaborated with influencers for paid partnerships using user-generated content. Executed a successful campaign for Women's Day, focusing on women's sandals and shoes. Additionally, I generated creative content ideas for Walkaroo.

Project 2

E Business in Modern Era Our project analyzed the impact of social media marketing on e-commerce sales for small businesses. Using a survey-based approach, we found a strong correlation between social media engagement and revenue generation. Our results emphasize the importance of integrated digital marketing strategies for e-commerce success.
