ABOUT ME

A passionate and creative digital marketing enthusiast with foundational knowledge in SEO, Google Ads, and social media campaigns. Skilled in using tools like Google Analytics, WordPress, and Canva. Eager to contribute to a dynamic marketing team and grow through hands-on experience and learning.

PROJECT

Landscaping Website

Developed a responsive website for a Landscaping company, focusing on showcasing high-quality portfolios, client testimonials, and booking functionalities. Implemented SEO best practices to enhance search engine visibility and improve website ranking. Managed social media marketing on Facebook and Instagram, creating targeted campaigns and content strategies that boosted brand awareness, follower growth, and lead generation.

TRAINING AND CERTIFICATION

DIGITAL MARKETING | TECHMINDZ (Info Park, Ernakulam, Kerala)

June 2024

Gained comprehensive knowledge in SEO, including keyword research, on-page and off-page optimization, and conducting SEO audits using various tools. Developed expertise in SEM, with hands-on experience in Google Ads, keyword strategies, bid management, and creating search and display ad campaigns. Monitored AdWords accounts, optimized campaigns, and tracked conversions using analytics. Specialized in SMM, creating and managing targeted Facebook and LinkedIn ad campaigns for lead generation, website traffic, post engagement, and conversions. Earned certifications in Search Advertising and Techmindz Digital Marketing.
