PROFESSIONAL SUMMARY

Dedicated Digital Marketing Specialist with practical experience in SEO, Content Creation, and Social Media Management. I excel at crafting content that performs, growing social media communities, and developing clean, user-focused websites that elevate a brand's online presence. With a mix of creativity, strategic thinking, and strong communication skills, I approach every project with the goal of delivering real, measurable impact.

WORK EXPERIENCE

DIGITAL MARKETER

Aug 2025- Nov 2025

Freelance

- Developed and designed functional, responsive websites using Wordpress builder.
- Managed official Facebook, Instagram, and LinkedIn pages by creating content, scheduling posts, and maintained consistency.
- Planned, launched, and optimized Meta (Facebook/Instagram) and Google Ads campaigns for reach, traffic, and lead generation goals.
- Performed on-page, technical SEO, and SERP optimization for personal portfolio websites and client websites to improve ranking and visibility.
- Conducted website audits, fixed crawl errors, improved site speed, and implemented schema to strengthen technical SEO.
- Created content strategies and marketing creatives for social media, websites, and ad campaigns.
- Monitored campaign performance, analyzed metrics, and prepared reports with improvement suggestions.

Quadcubes
