## Summary

Experienced demand generation specialist with 3 years of expertise in market research, Business and Market Analysis, and lead generation. Proven track record of collaborating closely with Sydney headquarters to achieve organizational goals.

## Experience

### Marketing Specialist

UniqLeads Research (Present)

- Successfully closed 7 gold package sponsorships, generating **AU\$120,000**, by identifying and engaging with **qualified** sponsors. This initiative enhanced overall networking opportunities with these sponsors.
- Managed an extensive portfolio of IT sector events (including Cyber Security, Digital Transformation, and Data Analytics) across Australia and New Zealand, overseeing market research and securing sponsorships to drive business growth.
- Utilized project management tools such as **Asana** to facilitate collaboration and ensure the timely delivery of marketing initiatives which brings transparency and collaboration with the headquarters.
- For sales, marketing, and business development, I oversee **lead generation, market research**, and data quality control. Additionally, I develop strategic **lead-generation marketing** campaigns that attract and engage potential customers.
- Led detailed research efforts specifically focused on **Account-Based Marketing** to target the correct leads, ultimately contributing to achieving the sales target.
- Before initiating lead generation, conduct **market analysis** on the targeted accounts to ensure the generation of qualified accounts.
- Utilizing **outbound marketing** strategies such as advertising and email campaigns for demand generation and marketing concepts, supported by CRM tools like Salesforce which helps in getting quality leads.

### Data Analyst

UniqLeads Research

- Collaborated with both the headquarters and clients to grasp the objectives, goals, and specific requirements of events.
- Undertaking primary research and pre-planning activities and ensuring the delivery of exceptional, customer-focused events, utilizing various CRM tools for data-driven decision-making and continuous optimization of **lead generation** efforts.
- During the training period, successfully closing 3 leads resulted in bringing **AU\$10,000**, contributing to securing a promotion before the probation period.

## **Senior Analyst**

Wipro Digital Operations

Aug 2020 - Feb 2022 (2 years 6 months)

- Evaluate Print Media, Web articles, and Broadcast clips (audio and videos) and capture a set of predefined sheets of information capture for client-specific agreements.
