PRADEEP KUMAR

PERFORMANCE MARKETER

PROFILE

With 4+ years of experience, I've worked across various aspects of PPC performance marketing, SEO, retention marketing, content strategy, and brand enhancement. Strategic and data driven performance marketer with hands-on experience across multiple marketing channels including **Meta Ads (Facebook & Instagram)**, **SEO**, **Google Ads**, and **Retention & Content Marketing**.

At Fouvi, I manage end-to-end Marketing such as Meta Ads for both domestic and international markets, oversee retention campaigns through WhatsApp and email automation, and handle product listings and analytics via Shopify.

Previously at Eron Techno Solutions, I specialized in SEO and Google Ads, implementing technical and on-page strategies to improve website rankings and lead generation, along with executing social media marketing campaigns to enhance engagement. Seeking a role that offers exposure to end-to-end marketing, encompassing strategy, execution, performance analysis, and brand growth

WORK EXPERIENCE

Oorla

Meta Ads

Aug 2024 - Present

- Plan, create, and optimize Meta Ad campaigns for both domestic and international audiences.
- Develop campaign strategies aligned with brand goals and monthly budgets.
- Continuously monitor ad performance and optimize campaigns to maintain target ROAS and conversions.
- Collaborate with design, content, and video editing teams to produce creative ad assets for various campaign objectives.
- Generate weekly performance reports, analyze key metrics, and present insights to team leads for decision-making.
- Worked closely with the Quality Lead team for Corporate Gifting, running targeted campaigns and supporting brand visibility for B2B gifting initiatives.

Oorla

Retention Marketing (WhatsApp & Email)

Aug 2024 - Present

- Manage end-to-end WhatsApp and Email marketing operations including campaign setup, audience segmentation, and automation flows.
- Coordinate with design and content teams to create engaging campaign visuals and messages.
- Track campaign performance, CTRs, and engagement rates to identify areas for improvement.
- Use automation tools to build customer journeys and re-engagement workflows aimed at improving repeat purchases.

Oorla
