

About Me

I am an SEO Analyst with 2 years of experience in optimizing websites and driving digital growth. My expertise lies in improving search engine rankings, conducting in-depth keyword research, and implementing both on-page and off-page SEO strategies. I also have a strong command of Meta Ads and Google Ads, which allows me to create effective ad campaigns that target the right audience and maximize ROI. With a focus on data-driven approaches, I strive to deliver measurable results that enhance online visibility, increase organic traffic, and boost conversions. I'm committed to helping businesses succeed in the ever-evolving digital landscape.
