I'm an MCA student at Lead College of Management, Palakkad, with a passion for coding and problem-solving. I have hands-on experience in C, C++, Java, HTML, CSS, JavaScript, and SQL. Alongside tech, I enjoy stock market analysis, which sharpens my strategic thinking. Known for my leadership skills, I thrive in team settings, driving projects forward. My goal is to become a Java Developer in an MNC, contributing to innovative, scalable solutions while growing in a collaborative, learning-focused environment.
