Digital Marketing Executive

- End-to-End Campaign Management: Developed and managed high-performing Search and Display campaigns in Google Ads, ensuring full alignment with overarching business goals.
- Strategic Keyword Optimization: Conducted in-depth research to identify high-ROI terms while utilizing negative keywords and search term reports to eliminate wasted spend.
- Quality Score Enhancement: Improved ad relevance and lowered costs by optimizing the "Keyword-Ad-Landing Page" funnel, resulting in higher Quality Scores and better Ad Rank.
- Ad Extensions : Maximized visibility and click-through rates (CTR) by implementing sitelinks, callouts, and structured snippets to dominate search engine results pages (SERPs).
- Conversion Rate Optimization (CRO): Executed continuous A/B testing on ad copy and landing pages to boost conversion rates and improve overall campaign efficiency.
- Performance Tracking: Monitored key metrics (CTR, CPC, CPA) daily to implement real-time bidding adjustments and optimization strategies within budget constraints.
- Data-Driven Reporting: Leveraged Google Analytics and Looker Studio (formerly Data Studio) to build comprehensive reports and derive actionable insights for stakeholders.
- Creative Excellence: Authored compelling, conversion-focused ad copy tailored to specific audience segments to drive engagement and brand awareness.
- Bid & Budget Management: Managed complex bidding strategies to maximize lead volume and revenue while maintaining strict adherence to monthly budget limits.
- Continuous Improvement: Maintained a rigorous testing roadmap to iterate on targeting, messaging, and technical settings for sustained performance growth.
