About Me

As a dedicated BBA scholar at Calicut University, I am captivated with Digital Marketing and Strategic Communication. With arms-on experience in content material writing, copywriting, Web Development, SEO Optimization, Social Media Marketing and LinkedIn optimization, I bring a unique blend of creativity and analytical talents to each task. My modern function as a LinkedIn supervisor for a WordPress Web developer has honed my capability to craft engaging and impactful content. Driven by the dream of establishing a Digital Marketing Agency with an Academy, I am eager to leverage my talents and information to make a sizable impact inside the enterprise.
