Profile

A creative and analytical Social Media Specialist with a passion for crafting engaging content and driving digital growth across platforms such as Instagram, Facebook, LinkedIn, and YouTube. I have a proven track record in developing and executing effective social media strategies that increase brand awareness and generate leads. My strength lies in leveraging data-driven insights to optimize campaigns and refine strategies for maximum engagement. I excel at building and nurturing strong online communities through clear and effective communication, ensuring consistent brand messaging while fostering connections with audiences. I am also looking to expand my knowledge and gain more experience in the field, continuously seeking opportunities for growth and exposure to new challenges.

Employment

Weft Technologies Pvt. Ltd | Kochi

Digital Marketing Specialist
Current

Job Description

- Managed social media accounts for up to 10 clients across platforms, including Instagram, Facebook, LinkedIn, and YouTube, delivering high-quality content and implementing regular posting schedules tailored to each audience.
- Prepared and presented comprehensive weekly and monthly reports, tracking key performance metrics to measure campaign success and adjust strategies accordingly.
- Executed Meta ad campaigns to increase client visibility, boost brand awareness, and achieve optimal ad performance.
- Strategised and managed lead generation campaigns that consistently supported clients in meeting sales targets.
- Developed and executed app installation campaigns, driving significant growth in app downloads.
- Crafted and implemented social media strategies and, at times, content tailored to the client's unique brand objectives and goals.
- Led ideation, design, and scheduling of engaging content for social media posts to ensure consistent, impactful messaging, with regular posting schedules.
- Provided community management, responding promptly to comments and messages to maintain engagement and foster a positive online community.
- Collaborated cross-functionally with other departments to ensure cohesive brand reputation management and timely resolution of client inquiries.
- Stayed updated on industry trends and social media developments to incorporate the latest strategies into client campaigns.
- Communicated effectively with clients to understand their needs, provide strategic recommendations, and deliver results aligned with their vision.
