DIGITAL MARKETING EXECUTIVE

Ernakulam, Kerala | 9074071309 | kallayirammurthy@gmail.com | <https://www.linkedin.com/in/murthy-gs/l>

I enjoy working in digital marketing because it allows me to be both creative and analytical. With experience in SEO, content, and social media, I like coming up with ideas that grab attention and drive real results. I'm always exploring new trends, testing creative concepts, and finding better ways to connect with the audience. I believe good marketing is a mix of creativity and consistency.
