WORK EXPERIENCE

Assistant Manager Digital Marketing

Open Financial Technologies (neo banking), Bangalore | 2020 - Present

- **Recognized with the Needle Mover Award for proactive and efficient work performance.**
- Created and ran effective digital marketing campaigns on different social media platforms to help the company grow and connect with customers better.
- **Took charge of revamping websites, leading to a huge 300% increase in people making purchases or signing up.**
- Planned and put into action strategies for online ads that made our brand more visible and brought lots more people to our website.
- Managed making digital stuff like website pages, blog posts, and social media updates, making sure everything looked good and matched our brand.
- Ran lots of online ads on places like Google, Facebook, LinkedIn, and Bing to get more people interested in our products/services and get more out of what we spent on ads.
- Made sure all the tracking stuff on our websites worked smoothly using google tag manager, so we could keep an eye on what was happening and make improvements.

Growth Marketing Associate

Open Financial Technologies (neo banking), Bangalore | 2019 - 2020

- Developed, launched, and tracked campaigns, consistently meeting or surpassing quarterly objectives.
- Designed and optimized landing pages, resulting in a **notable 31% increase in open rates.**
- Created mobile-responsive emails using tools like beefree and Typeform, enhancing user engagement and lead generation.
- Conducted thorough keyword research to initiate successful campaigns, significantly enhancing keyword quality scores and campaign effectiveness.
