LinkedIn Profile

SUMMARY

I'm a results-driven digital marketer with 16+ years of experience crafting and executing profitable marketing strategies across e-commerce, digital agencies, and various industries. My expertise spans SEM, SEO, SMM, email marketing, and content marketing, complemented by a proven ability to drive measurable revenue growth and brand impact. I've successfully managed high-budget campaigns, optimized performance through data-driven insights, and collaborated with cross-functional teams to deliver user-centric experiences. With hands-on experience in cutting-edge AI tools like ChatGPT and Google Gemini, I stay ahead in leveraging technology for impactful marketing solutions.
