

OBJECTIVE

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

EXPERIENCE

Mindlabs systems pvt ltd

Feb 2024 - Continuing

Digital Marketing Manager

- Managed digital marketing for 4 clients at the same time, including one permanent client.
- Took care of 7 websites for over 4 months, ensuring everything ran smoothly.
- Led a small team of 2 employees, guiding them on day-to-day tasks.

Key Tasks:

- Developed and executed digital marketing strategies (SEO, PPC, social media).
- Managed and optimized campaigns on Google Ads and LinkedIn Ads for better reach and conversions.
- Used Ahrefs for technical analysis to improve website performance.
- Employed Harpa for content writing, ensuring SEO-friendly content creation.
- Ranked three articles in Google Discover within days of publishing.
- Applied machine learning for predictive analysis and used Python libraries to present reports.
- Regularly updated clients on progress and made adjustments as needed.

Skills:

- Google Ads and LinkedIn Ads management
- SEO and content strategy (using Ahrefs and Harpa)
- Machine learning for predictive analysis
- Python for report presentation
- Client and project management
- Team leadership
- Digital marketing strategy
- Data analysis

Achievements:

- Successfully handled multiple clients and websites without dropping the ball.
- Boosted organic traffic, ranked articles in Google Discover, and enhanced ad performance across all managed.
