WORK EXPERIENCE

Touch Interactive

2023 - PRESENT

Digital Marketing Manager

- Undertook comprehensive data research to support client pitches, preparing essential documentation to back proposals.
- Worked with designers and copywriters to craft compelling content tailored to client needs.
- Handled client social media profiles, including scheduling posts, posting content, managing direct messages, and keeping an eye on engagement.
- Managed various client campaigns from start to finish, making sure all goals were met effectively.
- Worked in tandem with the sales team to pinpoint and nurture high-quality leads.
- Consistently generated and presented detailed reports on campaign performance, including daily, weekly, and monthly analytics, to clients.
- Handled team communications and helped junior members learn and grow.

Social vibes

2021 - 2023

Digital Marketing Executive

- Managed multiple social media accounts, executing targeted marketing strategies to boost engagement and brand presence.
- Used both Meta Ads and Google Ads together to kick off effective ad campaigns, which helped us reach more people and get our brand noticed.
- Set up Google Analytics and Google Tag Manager to make tracking easier and get clearer insights for our campaigns.
- Led client service projects and fostered a collaborative team environment to achieve collective goals.
- I used basic SEO techniques to improve online visibility and boost search engine rankings.
- Conducted surveys to understand customer feedback, utilizing insights to refine marketing strategies.
- I made sure our product photo shoots went smoothly and that we got great pictures to use in our marketing.
