Projects

Several Social Media Ad Campaigns (Facebook, LinkedIn, Twitter)

This project focuses on designing and executing multiple social media ad campaigns across Facebook, LinkedIn, and Twitter to enhance brand visibility, generate leads, and drive engagement.

Detailed SEO Audit of Website

This project ensures that the website is fully optimized for search engines, leading to better rankings, increased traffic, and enhanced user engagement.

Created and Designed Digital Products using Canva

This project focuses on designing high-quality digital products using Canva, a powerful graphic design tool. The goal is to create visually appealing and marketable digital assets that enhance brand identity, engagement, and online presence.

Google Analytics report of Website

This project focuses on analyzing a website's performance using Google Analytics to gain insights into user behavior, traffic sources, and engagement metrics. The goal is to optimize digital marketing strategies.

Email Campaigns on shopping ads of Myntra, Amazon etc

This project focuses on creating and optimizing email marketing campaigns to promote shopping ads for platforms like Myntra, Amazon, and other e-commerce sites. The goal is to drive engagement, increase conversions, and boost product visibility through strategic email outreach.

Built a full website using WordPress (Soft Tech)

The goal of this project was to design and develop a fully functional website using WordPress for Soft Tech, a company specializing in technology solutions. The website was built to enhance the company's online presence, provide information about its services, and improve user engagement.

Conversion Tracking of website (Soft Tech)

The project successfully provided Soft Tech with actionable insights, allowing them to optimize their marketing strategies, improve user experience, and increase conversions.

Declaration

I hereby declare that the information provided in this resume is true and correct to the best of my knowledge and belief. I take full responsibility for the accuracy of the details mentioned above.
