

# ATHULYA M P

## Digital Marketing Executive

I'm Athulya M P , a passionate digital marketer with a knack for crafting and executing online marketing strategies that drive results. From SEO to social media marketing and running effective Meta and Google Ads, I've got hands-on experience in boosting brand visibility and engagement. I'm also skilled in website development, ensuring that every site I work on is optimized for both users and search engines. Currently, I'm sharpening my skills through an internship at One Team Solutions, where I'm learning and applying the latest trends in digital marketing. I'm always eager to take on new challenges and help brands grow in the digital space.

## Internship

### Digital Marketing Intern

One Team Solutions — June 2024 to Sept 2024

During my internship at One Team Solutions, I've had the opportunity to dive deep into the world of digital marketing, where I've honed my skills in several key areas:

- Website Development:** I've been involved in developing and fine-tuning websites, ensuring they're not only visually appealing but also user-friendly and optimized for performance.
- SEO (Search Engine Optimization):** I've worked on improving search engine rankings through strategic keyword research and both on-page and off-page SEO tactics, driving organic traffic to websites.
- Social Media Marketing (SMM):** Managing social media accounts has been one of my key responsibilities, where I've crafted engaging content and developed strategies to boost brand visibility and audience interaction.
- Meta Ads:** I've run Meta advertising campaigns, focusing on targeting the right audiences, optimizing budgets, and continuously analyzing performance to achieve the best results.
- Google Ads:** Creating and managing Google Ads campaigns has been a significant part of my role, where I've aimed to increase web traffic and conversions by fine-tuning ads and keywords.

## Project

### WordPress Website SEO

Built and refined a WordPress website with Elementor, Yoast SEO, and Google Analytics, among other tools, to make it more visible in search engines, user-friendly, and efficient in performance.

### Meta ad campaigns

Handled Meta ad campaigns by designing engaging ads, researching competitors using the ad library, targeting the right audiences, and fine-tuning performance to ensure successful outcomes.

### Google Ads

Ran Google Ads campaigns by creating eye-catching ads, studying competitors, targeting the right audience, and tweaking performance to make sure the campaigns delivered great results.
