

BADUSHA M A

Digital Marketer

PROFESSIONAL SUMMARY

Motivated digital marketing graduate with foundational skills in SEO, social media, and content strategy, eager to learn and grow within a dynamic organization. Coming from a background in Mechanical Field, I bring a fresh perspective and strong analytical abilities, ready to dive deeper into the industry and expand my expertise. I am excited to contribute while developing my skills under the guidance of an experienced team.

INTERNSHIP

- Gained hands-on experience in **Digital marketing** during an internship at **Techmindz**.
- Optimized website content to improve search engine rankings (SEO).
- Managed social media accounts to enhance brand presence and engagement.
- Created compelling content to attract and retain target audiences.
- Analyzed marketing campaign performance to drive data-driven decisions.
- Assisted in running and optimizing paid advertising campaigns.
- Contributed to developing digital strategies to expand brand reach and visibility.

PROJECT

I developed a personal Digital marketing profile website using WordPress and hosted it on Hostinger to showcase my expertise and portfolio in digital marketing. The project involved creating a professional, responsive site that highlights my skills in SEO, content creation, social media marketing, and analytics, as well as key achievements in my career. The website serves as an interactive and visually appealing portfolio for prospective clients and employers, showcasing my ability to design and execute successful digital marketing strategies
