📁 EXPERIENCE

Internship

Python-Django developer , Luminar Technolab
11/2023 – 06/2024 | Ernakulam, India

As a Python Full-stack developer intern at Luminar Technolab kochi, I had the opportunity to gain valuable hands-on experience in developing web applications from end to end. This internship provided me with a dynamic learning environment to expand my skills in both front-end and back-end development while contributing to real world projects

- Collaborated with development teams to identify the requirements of the application.
- Developing scalable code using Python •
- Conducting application testing and resolving bugs. •
- Incorporating user-facing components using server-side logic.
