PROJECTS

‘A STUDY ON CUSTOMER BUYING BEHAVIOUR TOWARDS SMARTPHONE IN ERNAKULAM DISTRICT’.

Buying behavior refers to the decision and acts people undertake to buy products or services for individual or group use. It's synonymous with the term 'consumer buying behavior' which often applies to individual customers in contrast to businesses.

‘A STUDY INTO THE EQUILIBRIUM BETWEEN WORK RESPONSIBILITIES AND PERSONAL LIFE AMONG WORKERS IN THE IT SECTOR OF KERALA’. This Study Indicates the IT employees attitude towards their work-life balance and also studies the factors influencing the dimensions of work-life balance.
