PHONE NO:8594048258

## OBJECTIVE:

Aiming to secure a software development role where I can leverage my knowledge of programming languages, software methodologies, and development tools to contribute to impactful projects and grow professionally within a dynamic team.

## EDUCATION:

\*Currently Pursuing MCA in Union Christian College Aluva (MG university) -(2023-2025)

\*Graduated in B.Sc. Electronics from B.P.C College Piravom (MG university)- (2020-2023)

\*Higher secondary education studies in Bio-Math from St. Mary's HSS Morakkala-(2018-2020)

## SKILLS:

- **Programming Languages:** Python (Django), C++, PHP, HTML, CSS, JavaScript, SQL
- **Web Development:** Experience with developing web applications using PHP, HTML, CSS, and JavaScript
- **Database Management:** Skilled in MySQL, SQL Server
- **Embedded Systems:** Worked with Arduino for sensor-based projects
- **Tools and APIs:** Familiar with Geolocation API, Razorpay integration
- **Cloud-based Development:** Experience building cloud applications

## ACHIEVEMENTS:

\*Team leadership of the project Distance Measuring using Arduino with Ultrasonic sensor (2023)

\*Gained more knowledge and experience in programming through projects.

## LANGUAGES KNOWN:

English, Malayalam

## PROJECTS:

\***Distance Measuring using Arduino with Ultrasonic sensor (2023)** -Main project in Bsc Electronics, developed a real-time distance measurement system using C++ (Arduino) and ultrasonic sensors for obstacle detection and automation applications.

\***Easyshare (2024)**-Mini project in MCA, built a cloud-based file-sharing platform using PHP, HTML, CSS, and MySQL that allows users to upload and share non-confidential files without authentication.

**\*Region Hub (2025)**-Main project in MCA, built a location-aware e-commerce platform using Python (Django), HTML, CSS, JavaScript, SQL and CSV-based postal mapping, integrating Geolocation API and Razorpay for region-specific product filtering and secure payments.

### **CERTIFICATIONS:**

\*NPTEL online certification-Software Testing (2023)

\*Add on course powered by TCS - “Innovative and Automate: Exploring Robotics” (2024)

\*Internship certificate of ‘Region Hub’ by Byteboot Techno Solutions PVT.LTD, Kadavantra (2025)

### **DECLARATION:**

I hereby declare that the given information is true to the best of my knowledge.
