PERSONAL INFO

I am a committed and efficient digital marketing enthusiast with an excellent academic foundation in media, communication, and digital marketing tactics. As a recent graduate and present digital marketing intern, I am prepared to apply my skills to work creating successful digital marketing strategies, increasing awareness of the brand, and enhancing campaigns. I am thrilled about working with creative teams to contribute unique ideas, continue to be on top of digital innovations, and assist businesses become successful.

EXPERIENCE

Digital Marketing Intern Adsomia India Pvt Ltd, Trivandrum, Kerala

October 2024 - Present.

- Assistance to development and operation of digital marketing strategies, with an emphasis on social media, SEO, and paid advertising.
- Coordinated and improved campaigns across multiple platforms, like Facebook, Instagram, and LinkedIn, which brought about an enormous rise in engagement and brand visibility.
- Assisted with surveys to identify the target demographics, trends, and the landscape of rivalry, leading to significant insights for campaign planning.
- Analyzed performance of campaigns, evaluated critical metrics, and made recommendations to improve effectiveness.
- I worked with the marketing department to develop and come up with ideas, create campaigns, and put them into action.

Freelancer Content Creator & MEDIA TEAM LEAD Triumph Motorcycles, Trivandrum, Kerala

March 2024 - June 2024

- Headed the content creation and media crew to create engaging video content, advertising materials. and marketing campaigns that boosted Triumph Motors' brand visibility.

- Led the video production and editing, which was offering high-quality content that engaged with the target audience and emphasized Triumph Motors' unique selling characteristic traits.
- Developed and carried out a content plan which was coordinated with the company's marketing goals, with an emphasis on growing brand awareness, driving leads, and boosting showroom footfall.
- Managed content planning and scheduling across several platforms, such as YouTube, Instagram, and Facebook, to guarantee ongoing engagement and bring larger audiences.
- Worked together with the marketing team to establish and operate online campaigns, resulting in an immense rise in showroom enquiries and online engagement.
- Played an important part for improving the dealership's digital involvement, that led to an impressive rise in sales and the generation of leads.
- Statistics based on data were utilized to evaluate the success of the campaign, and tactics were constantly modified for higher participation and conversions.
