PROFILE

I am Manoj Joseph PJ, a digital marketing enthusiast with a solid foundation in computer operations, gained from my experience working at Nirmala Academy. Over time, my passion for digital marketing has grown, and I am eager to leverage my skills and knowledge to excel in the field. I am driven by the dynamic nature of the digital world and keen to make a positive impact through innovative marketing strategies.

WORK EXPERIENCE

- **PHP Trainee (2010) - Flash Webhost**
Gained hands-on experience in PHP development, laying the foundation for my technical understanding of web hosting and backend development.
- **Computer Operator (2018-2024) - Nirmala Academy**
Worked in data management, administration, and technical support, honing my organizational and technical skills over six years.
- **Digital Marketing Intern - SLBS Marklance Infotech**
Completed an internship focusing on digital marketing strategies, SEO, and social media management, further fueling my passion for the digital space.
