PROFILE

I am a dedicated student currently pursuing a Graphic Design and Animation course at Rajagiri College of Management and Applied Science. With a strong skill set in Maya, Photoshop, illustration, and advertisement design, I am eager to apply my knowledge and creativity in the dynamic field of design. My ultimate goal is to provide innovative and visually impactful solutions to design challenges. Outside of my academic pursuits, I am passionate about traveling and reading, which inspire me to approach design with fresh perspectives and a global mindset, bringing both innovation and functionality to life.
