2022-25 Batch
Sacred Heart College

Skills

Adobe photoshop
Adobe illustrator
Adobe indesign
Adobe premiere pro
Adobe after effects
Autodesk maya

Languages known

English
Malayalam

Work Experience

I worked as a freelance designer at Technonicol India for a month, contributing to the design and creative aspects of two key events during that period. My role involved crafting visual content that aligned with the company's branding and event objectives, ensuring a seamless and professional presentation for both occasions.
