

ANU MOHAN

(+91) 6282540894

Graphic Designer

📍 Pathickal Arepparambu, Kottayam ✉ mohananu602@gmail.com <https://www.linkedin.com/in/anumohan7b4607335>

PROFILE INFO

Talented graphic designer specializing in illustration and custom graphics, with expertise in both digital and hand-drawn techniques using Adobe Illustrator. Seeking a position in a creative environment where I can bring unique visual concepts to life and contribute to innovative design projects.

PROJECT EXPERIENCE

[mohananu602@https://www.behance.net/anukuttan2.com](https://www.behance.net/anukuttan2.com)

Festival Photography

- Documented vibrant festival events, capturing key moments and highlights through dynamic photography. Focused on framing, lighting, and capturing the energy of events, resulting in a collection of compelling photos.

Portrait Photoshoots

- Conducted portrait photoshoots for friends and family, experimenting with composition, lighting techniques, and various styles. Enhanced photos in post-production using Adobe Photoshop to create polished, professional-looking images.

Video Editing and Trailer Creation

- Edited and created short movie trailers by assembling footage, adding sound effects, and applying transitions and color grading. Focused on enhancing narrative flow and emotional impact for a cinematic experience.

Graphic and Poster Design in React

- Created digital posters using React, combining web design with graphic elements to produce unique, interactive visuals.
