

Ajeesh M Das

Aspiring Graphic Designer

I am a dedicated graphic designer with a passion for transforming concepts into striking visuals that enhance brand identity. My expertise includes creating high-quality designs for various projects, such as rebranding and social media content. Currently, I am honing my skills through an internship in advanced graphic design, where I focus on integrating AI technologies to stay updated with industry trends. I am committed to delivering innovative design solutions that elevate brands and engage audiences

WORK EXPERIENCE

Graphic Design Intern Lead Lord Design School

07/2024 - 11/2024

Palakkad, Kerala, India

Throughout my internship, I gained a solid understanding of color theory, alignment, and typography, while honing my skills in Adobe software to craft well-balanced, detail-focused layouts. Working closely with my team, I learned to interpret client ideas and transform them into innovative solutions that strengthened their brand identity and addressed key challenges.

Achievements/Tasks

- During my internship, I focused on crafting innovative and unique designs for brand products, including a poster for the KTM Adventure bike, a flyer for the Mahindra Thar Roxx, and a promotional poster for Kerala tourism..etc . Each project allowed me to explore fresh concepts and creative strategies, ensuring that the designs not only stood out but also effectively communicated the essence of the brand. This journey has been a fantastic opportunity to blend creativity with purpose, resulting in eye-catching visuals that resonate with the target audience.
