PROFILE

I'm a passionate designer who enjoys working on creative and meaningful design projects. I love bringing ideas to life through thoughtful visuals and believe that good design has the power to tell compelling stories.

I'm always looking for opportunities to grow, learn, and improve my skills both creatively and professionally. Every project is a chance to push myself further and explore new ways to communicate through design.

WORK EXPERIENCE

Aravind Designs, Thrippunithura jan 2024 – july 2024
Graphic Designer

- Collaborated on various print and digital design projects including posters, visiting cards, notices, and promotional materials
- Provided creative design solutions tailored to client needs.

PERSONAL BRANDING PROJECT

- Designed a complete visual identity for a fictional fitness brand, including logo, color palette, and social media assets.
- Focused on bold, modern aesthetics to reflect themes of resilience and strength in fitness culture
