Professional Experience

Inside Sales Representative

Denave (Client : Lenovo India)

2023
-
Present

- APOS Revenue Maximization: Lead After Point of Sales (APOS) revenue initiatives for Lenovo India's North Region, collaborating with customers, account managers, and partners to identify and drive high-value sales opportunities.
- Comprehensive Product Sales: Manage sales across Lenovo India's APOS offerings, including extended warranties, Accidental Damage Protection (ADP), Keep Your Drive (KYD), Asset Recovery Services, CO₂ Offset services, battery warranties, and software, consistently achieving revenue targets for each product line.
- Strategic Client and Partner Collaboration: Cultivate strong relationships with Lenovo India's account managers, partners, and distributors, implementing APOS strategies that optimize revenue potential and enhance client account value.
- Sales Strategy Execution: Execute APOS sales strategies in coordination with Lenovo India's teams, focusing on high-impact solutions aligned with customer needs and expanding Lenovo India's post-sale revenue stream.
- Achievement of Sales Goals: Consistently exceed APOS sales targets for Lenovo India by leveraging proactive client engagement, strategic solution selling, and continuous follow-up on post-sale opportunities.
