SUMMARY

To live up to the expectations of the organization and take responsibilities in team Building and achieving the targets given by the organization and grow with the Company. Around 8 years of work experience in Sales & Marketing Good & quick in obtaining a grasp of the business process and acting as a bridge between the Management and the business development teams. Strong customer/user advocate, apt negotiator with analytical, collaboration, communication, decision- making, and organizational skills. Good communication skills coupled with excellent interpersonal and presentation skills that helped in developing an excellent rapport with the team members and maintained an inspiring environment, which I strongly believe, play a key role in carrying out the given tasks within the time constraints.
