## EXPERIENCE

### Business Development Executive, 05/2024 - 10/2024

CODETRU, Hyderabad, IN

- Identify and target potential clients through market research, networking, and digital outreach.
- Working for the US-based region.
- Build a consistent pipeline of qualified leads through various channels, including social media, referrals, and partnerships.
- Develop and maintain a database of prospects, and update records on lead status and interactions.
- Understand each client's unique service needs, challenges, and objectives to provide tailored solutions.
- Follow up on leads, conduct follow-up calls, and move prospects through the sales cycle to closure.
- Maintain accurate records of all sales activities, including proposals, client communications, and deal progress in Excel.

### Sr. Inside Sales Executive, 12/2023 - 04/2024

ZestIOT Technologies Pvt. Ltd, Hyderabad, IN

- Identify and generate new leads through research, cold calling, email outreach, and networking with industry contacts.
- Qualify prospects by understanding their industry needs, conveyor belt requirements,

- and budget constraints to ensure a fit with the company's offerings.
- Maintain and grow a pipeline of potential clients by continuously identifying and pursuing new business opportunities.
- Build and nurture strong relationships with existing clients to foster customer loyalty and increase repeat business.
- Conduct regular follow-ups with clients to ensure satisfaction and to discuss additional needs or potential upgrades.
- Understand the unique requirements of key industries, such as mining, manufacturing, logistics, and agriculture, to provide tailored recommendations.
- Utilize CRM tools to manage and track client interactions, sales activities, and pipeline progression.
- Generate and analyze weekly or monthly sales reports to assess performance against targets and identify areas for improvement.
