Nithin Samuel

Partner Success & Inside Sales Specialist
Kochi, Kerala, India

Summary

Consulting top 500 companies for their Master data management specially in asset intense and spares intense organizations which have challenges with Data Quality, Cleansing & Governance.

Meet with me: <https://go.prospecta.com/meetings/nithin-samuel>

Consult for a few SaaS companies for their Sales Development & Sales prospecting processes.

Was a sales development consultant with MixRank where I'd worked on generating sales pipeline in a few segments. MixRank is one of the most comprehensive database of mobile SDK & app intel to help sales and marketing teams get connected to the right prospects.

At Leadlytics I helped B2B companies ramp up their sales opportunity pipeline driving consistent conversations and in turn more predictable and scalable revenue models for sales teams.

Drove APAC SaaS Sales at Explara, an all-in-one technology solutions software platform serving meeting/conference/association organisers, making events effortless. Contributed to Explara's early wins at APAC

8+ years volunteering with IEEE, the leading technology community globally, having organized a range of summits and conferences, worked with and lead cross functional, as well as remote teams, contributing to an improved network, access to keep updated with the latest developments in technology, enhanced team and leadership skill.

FullContact Inc.

Operations Quality Analyst Intern

August 2016 - October 2016 (3 months)

Learned how the organization works together in a well oiled process.

Was able to observe the organizational framework and learned processes utilized in quality control.

Over a period of time made suggestions to improve the same.

D4Delivery

Operations Lead

February 2016 - July 2016 (6 months)

Kochi

Managed the operations of D4Delivery Retail and Logistics Services at Kochi. Prime responsibilities included overlooking day to day operations, quality control, hiring, partnerships, and invoice generation.

Having a customer first attitude, and attention to detail was instrumental to help us retain and expand our customer-base. Used lean operations strategies

for our evolving business model. Being a multi tasker was able to juggle roles ranging from hiring delivery and operations staff , source new vendors and business partners, optimize and minimize deficit, run the day-to-day operations, following up with vendors for timely payments etc. Was a go getter in the organization.

INKtalks

City Coordinator

August 2015 - October 2015 (3 months)

Kochi

Was the city coordinator for Teenovators 2015, at Kochi. Teenovators is a pan Indian initiative by INK Talks & Manipal University to encourage high school students to bring out their innovative skills. Signed up multiple schools for the programme and followed up with elimination level tests.

Grey Technolabs

Intern

June 2012 - June 2012 (1 month)

Edapally, Kerala

Was trained under different aspects of Embedded Systems and Software development. Involved in fabricating & soldering on Printed Circuit Boards(PCB's) for a few projects which would be successively tested, converted to products and sold.
