🔒 Unmarried

Profile

Highly motivated and results-oriented BTech Computer Science graduate with a strong foundation in programming languages, data structures, and algorithms. Eager to leverage my technical skills and problem-solving abilities to contribute to a dynamic IT environment. Open to learning new technologies and adapting to a fast-paced industry.

Education

APJ Abdul Kalam Technological University <i>Computer Science & Engineering</i>	2020 – 2024 Kerala, India
Kerala State Board of Secondary Education <i>Computer Science</i>	2018 – 2020 Kerala, India

Projects

BioLx - Biomedical Named Entity Recognition System	2024
Developed a robust mobile application to streamline the extraction and comprehension of biomedical information from English texts. Utilized advanced natural language processing techniques, including Conditional Random Fields (CRF) and Bidirectional Encoder Representations from Transformers (BERT), to accurately recognize and summarize biomedical entities. BioLx empowers users to gain comprehensive insights from biomedical texts through a user-centric design and seamless integration of Flask and Flutter for backend and frontend development.	
Trivia 360	2023
Trivia 360 helps students conquer exams with practice questions, tests, progress tracking, and study materials. It's your one-stop shop for learning and exam preparation.	

Internship

TECHBYHEART (30 days internship on Cyber Security & Ethical Hacking)	2023 Kochi, India
Experienced in cybersecurity practices, with a focus on ethical hacking techniques to proactively identify and assess system vulnerabilities, enabling the development and implementation of robust security measures to mitigate potential cyber threats.	

Professional Skills

Python	Figma
HTML5	MySQL
Adobe Photoshop	MS Office
Google Ads & Analytics (SEO)	Google My Business (SEO)

Soft Skills

Adaptability & Authenticity	Continuous Learning
Communication & Courage	Creativity and Innovation
Curiosity & Ethical judgement	Group Problem Solving
Knowledge Sharing	Self-Awareness
Stakeholder Engagement	Stakeholder Management

Achievements

Conducted a Seminar on Topic - STARLINK	2023
Attended a Professional Students Summit	2023

Publications

Biomedical Named Entity Recognition System	2024
INTERNATIONAL RESEARCH JOURNAL OF MODERNIZATION IN ENGINEERING TECHNOLOGY & SCIENCE (IRJMETS)
