EXPERIENCE

Kitspire India Pvt Ltd

Jan 2024 - Present

Business Development Specialist

- Conducted comprehensive market research and competitive analysis, identifying new business opportunities that contributed to companies growth.
- Collaborated with cross-functional teams, gathering and documenting business requirements for new product offerings and operational initiatives.
- Developed data-driven strategies to enhance customer acquisition and retention, resulting in a 10% reduction in customer churn.
- Used Excel to create reports and charts that helped management understand key business performance.
- Tracked key performance indicators (KPIs) and built simple dashboards to give managers an easy view of how the business was doing.

Front End Developer Intern

- Developed responsive web pages using HTML, CSS, and JavaScript, improving user experience across different devices.
- Implemented responsive design principles to ensure seamless user experiences on mobile, tablet, and desktop platforms.
- Created and maintained detailed documentation for code and project workflows to improve team knowledge sharing and onboarding.
- Designed interactive features such as sliders, forms, and modals to improve user engagement on various web pages.
- Integrated third-party libraries and frameworks (such as Bootstrap and jQuery) to enhance the functionality and aesthetics of web applications.

Luminar Technolab

Feb 2023 - Sep 2023

Full Stack Developer Intern

- Completed a 6-month training program in front-end and back-end development, gaining hands-on experience with modern web technologies. Developed proficiency in Angular, React, JavaScript, HTML, and CSS for building user-friendly interfaces.
- Acquired knowledge of MongoDB for database management, enabling effective data storage and retrieval in web applications.
- Earned a certification in Full-Stack Development, validating my skills in modern web technologies. This credential complements my practical experience with Angular, React, JavaScript, MongoDB, HTML, and CSS.

Aabasoft Technologies India Pvt Ltd

July 2022 - Jan 2023

Business Development Associate

- Accomplished Business Development Executive offering enterprises in generating significant company growth through lead generation, customer service, sales and marketing techniques.
- Developed and executed targeted sales strategies to attract new clients. Built and maintained strong relationships with key stakeholders to enhance market presence.
