SUMMARY

Creative and detail-oriented aspiring copywriter with a strong command of language and a passion for storytelling. Skilled in crafting compelling content for digital and print media, with a focus on clarity, brand voice, and audience engagement. Adept at writing blogs, social media captions, marketing copy, and scripts with a persuasive and engaging tone. Fast learner with a collaborative mindset and a commitment to deadlines. My key skills include Creative Writing & Content Creation, Research & Idea Development, Time Management & Meeting Deadlines, Familiar with tools like MS Word, MS Excel, Google Docs, Canva and so on.

EXPERIENCE

Completed one month internship in Vishwavedha School Of Thoughts institution, Thrissur. During this period, I had the opportunity to work on developing the complete mathematics syllabus from the foundational level onwards. It was a rewarding journey of learning, content creation, and educational structuring, which helped me enhance my organizational and technical skills while gaining valuable insight into professional work environments.

EDUCATION

Currently student of 2nd year Bsc. Physics student with complementary subjects computer science and mathematics in St. Joseph's College (Autonomous), Irinjalakuda
