CONTENT WRITING PORTFOLIO & PROJECTS

Educational Copywriting: "About Us" Page Layout

Writing Sample Project

- Authored a comprehensive corporate "About Us" page for 'ABC Education', positioning the brand as an accessible leader in industry-oriented training.
- Structured content to build user trust, integrating clear brand values, audience problem-solving frameworks, and a compelling call-to-action (CTA).

Financial Content Writing: Specialized Finance Blog

Writing Sample Project

- Researched and wrote a targeted educational article titled "5 Best Mutual Funds for Commerce Students" aimed at simplifying wealth creation and investment strategy for beginners.
- Utilized commerce background to break down complex financial instruments (Index Funds, ELSS, Flexi-Cap) into highly readable, engaging, and accurate prose.

Social Media Copywriting: Fitness Coach Strategy & Captions

Writing Sample Project

- Created strategic Instagram copy customized for a personal fitness coach brand, focusing on audience motivation, psychological hooks, and actionable CTAs.
- Optimized content layout using readable spacing, psychological triggers for client onboarding, and curated high-conversion hashtag strategies.
