CAREER OBJECTIVE

Aspiring journalist and completed MA in Mass Communication graduate with academic training and hands-on experience in broadcast media, print journalism, public relations, content writing, and online social media management. Passionate about news reporting, public affairs, and contemporary socio-political issues, with a strong belief in freedom of speech and expression. Interested in educating citizens for informed political participation and amplifying the voices of marginalised and underrepresented communities through ethical, inclusive, and responsible journalism, strategic communication, impactful content creation, and effective digital engagement.
