EXPERIENCE

Organizing Committee | Udgar (College Festival)

Handled the day-to-day logistics and event flow.
Acted as the main point of contact between the creative teams and the participants.

Lead & Scriptwriter | Radio Story Project

Ran the project from the first idea to the final recorded script.
Wrote the dialogue and managed the pacing to keep the story moving.

Member | Discipline Committee (DC), IMS Unison University

Performance & Public Speaking | Various Events

Performed original work at the Mediation Law event and local, collage open mics.
Focused on clear delivery and connecting with a live audience.

Workshop Participant | Comic Journalism

Learned to tell news stories through visual frames and minimal text.
Practiced the art of storyboarding—matching images with short-form copy.

Manager | Talent & Content Strategy

Directing the growth and creative output for two independent digital creators.

Ensuring campus-wide adherence to professional standards and university protocols.
Managing high-pressure situations with a focus on conflict resolution and objective decision-making.

Overseeing brand positioning, content pacing, and audience engagement strategies.
Acting as the primary point of contact for collaboration and professional development.
