Communication skills

Problem-solving

LEADERSHIP

1.Head Boy

As Head Boy of St. Joseph's HSS Kidangoor, I led the student body, maintained discipline, and organized programs that fostered teamwork and school spirit. It was a valuable leadership experience.

2. Student volunteer

Actively participated in social work, organizing camps, drills, and activities to promote teamwork and leadership. Gained hands-on experience in survival skills, first aid, and adventure activities while developing discipline, problem-solving, and community service skills through scouting programs.

3. Class Representative

Led class coordination efforts by communicating student needs to faculty and ensuring effective academic and administrative collaboration.

EXTRA CURRICULAR

- Represented my school in various quiz competitions and won several at the sub-district level, demonstrating strong knowledge and competitive spirit.
- Served as a student volunteer with Bharat Scout and Guides during 11th and 12th grade, participating in community service, leadership development, and team-building activities. Gained skills in communication, problem-solving, and teamwork through various outdoor and service-oriented projects.
- Represented Youth Red Cross in high school as a student volunteer, involved in health campaigns, first-aid training, and community service. Developed leadership and organizational skills through volunteer work."
